
GROW NATIVE HALTON

Who We Are

Grow Native Halton is a grassroots group of gardeners from Burlington and Halton dedicated to growing and promoting native plant species that boost biodiversity in our region.

Even a small patch of goldenrods and milkweeds can become a thriving habitat!

Scan the QR code below to find out more about us.

What We Do

Host garden tours of our members' native gardens

Organize plant swaps and seed exchanges

Attend and support community events

Connecting Gardeners with a Shared Vision
